

Pratt & G.

It is a long time since we have had a chance to see you.

1. The first time we saw you was in the year 1900, when you were a small child.

It is a long time since we have had a chance to see you.

It is a long time since we have had a chance to see you.

It is a long time since we have had a chance to see you.

1900, when you were a small child.

(1900, when you were a small child.)

It is a long time since we have had a chance to see you.
