

A black and white line drawing of a birthday cake. The cake is a two-layered round cake with a scalloped edge. It is decorated with small dots representing sprinkles. Five lit candles are placed on top of the cake. Surrounding the cake are four balloons (two on the left, two on the right) and several small circles representing confetti. The drawing is simple and suitable for coloring. In the bottom right corner, there is a small copyright notice: © 2013 Mahutcone.
