

artwork impressionistic to the human eye, but it is also an abstracted and reduced form of communication. It is a way of seeing at the other end of the spectrum, where the brain is suddenly thinking as one child.

comics are also a way of communicating
with the man from outside. They
live on children and adults, making them
more intelligent and more interesting.

democracy is the best way to
communicate with
the world. It's the best way to
communicate with the world.
