

CLEAN

pligns

A black and white line drawing of a happy puppy standing on a city made of blocks. The puppy is in the center, facing left, with its tongue out and a joyful expression. It has a collar with a bell. The city is constructed from various rectangular blocks of different sizes, some of which have patterns or symbols on them. In the background, there are stylized clouds. In the foreground, there are some small plants and flowers. The overall scene is clean and cheerful.
