

Wiece Crain

Wiece Crain is a cartoon illustration of a circus train. The train is moving along a track, and there are animals on the ground. The background features a large tent and a bunch of balloons. The sky is decorated with stars and clouds.

The train is a steam locomotive, and it is pulling two passenger cars. The lion and the elephant are on the ground in front of the train. The background features a large tent and a bunch of balloons. The sky is decorated with stars and clouds.
