

Coloring page for children

2015 NOELKE'S ColorPage for an aboriginal and Indigenous of Aotearoa New Zealand in this fall.

With art, ColorPage for an aboriginal and Indigenous of Aotearoa New Zealand in this fall. The art is a line drawing of a smiling astronaut in a space suit, floating in space. The astronaut is holding a small rectangular object in their right hand. Surrounding the astronaut are various celestial bodies: two planets with rings (Saturn-like), several stars of different sizes, and a crescent moon. The entire scene is framed by a thick black border. On the left and right sides of the border, there are vertical columns of text in a non-English script. At the top and bottom of the border, there are horizontal rows of text, including numbers and script. The drawing is simple and cartoonish, suitable for a children's coloring page.
