A black and white line drawing of a stylized, chibi-style character. The character has a large, ornate, crystalline crown with multiple sharp points and a central diamond-shaped gem. Its face is round with large, expressive eyes and a small, simple mouth. The character is wearing a detailed, crystalline armor with various geometric shapes and patterns. It is holding a sword in its right hand, with the blade pointing upwards. The drawing is intended as a coloring page, with clean lines and no shading.
