

COAL POLLUTED

- 1. am an icicle who gets the idea to go to the mountains to get some fresh air, but when I get there, I find the mountains are so polluted that I can't breathe.
- 2. I'll be the first to admit that the air is bad, but I don't think it's as bad as you think it is.
- 3. I'm not sure if the pollution is as bad as you think it is, but I do know that the air is not as good as it used to be.
- 4. You can't see the mountains from here, but I can see the mountains from here.
