QUEN BEE™

SOGR IT CCE NINE

LOL dolls are not toys. They are collectibles. They are not for children. They are for collectors. They are not for sale. They are for display. They are not for use. They are for admiration. They are not for play. They are for passion. They are not for fun. They are for forever.

And for all the
LOL dolls out there
that are not for sale,
they are for display.
