

SONIC
OND GALCS

A black and white line drawing of Sonic the Hedgehog. He is standing, facing slightly to the left but looking towards the viewer with a confident smile. His right arm is raised in a wave, with his index and middle fingers extended. His left arm is bent at the elbow, with his hand near his chest. He has his characteristic large, spiky quills, a small tuft on his forehead, and pointed ears. He is wearing his signature large, round shoes with a small heel. The drawing is composed of clean, bold black outlines on a white background, making it ideal for coloring.
